

Figure 1: (Left) Learned vector fields vs true vector fields. (Right) Learned vector fields and trajectories on the time interval  $t \in [0, 10]$ .

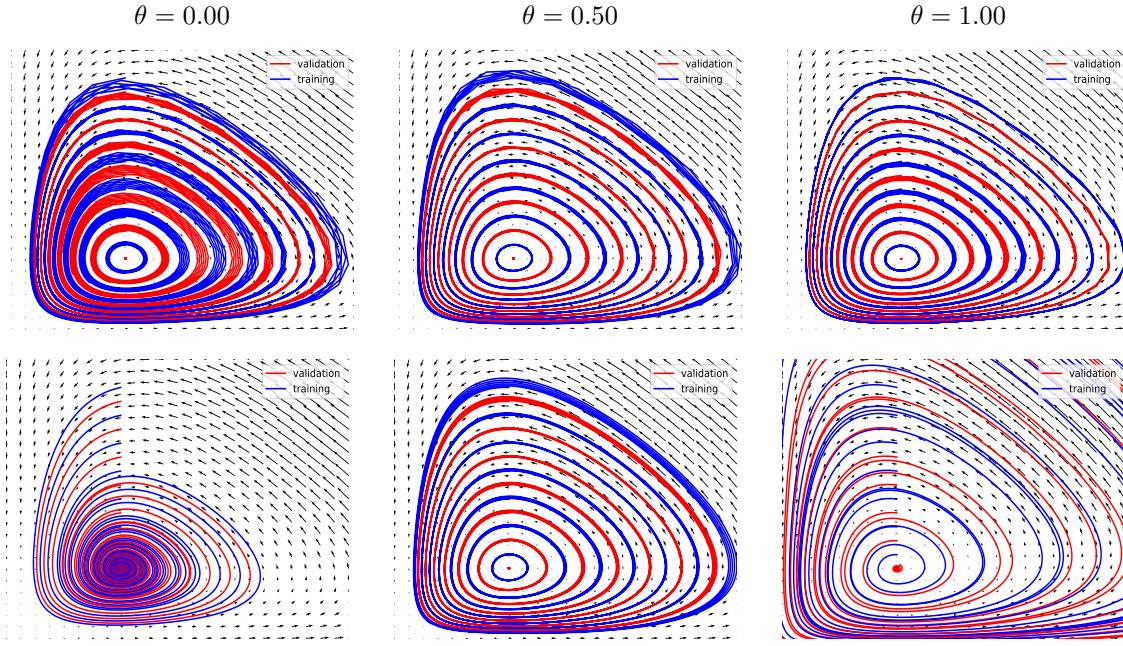

Figure 2: (Top) Learned vector fields and trajectories on the time interval  $t \in [0, 50]$ . (Bottom) Continuous-time trajectories on the same time interval.

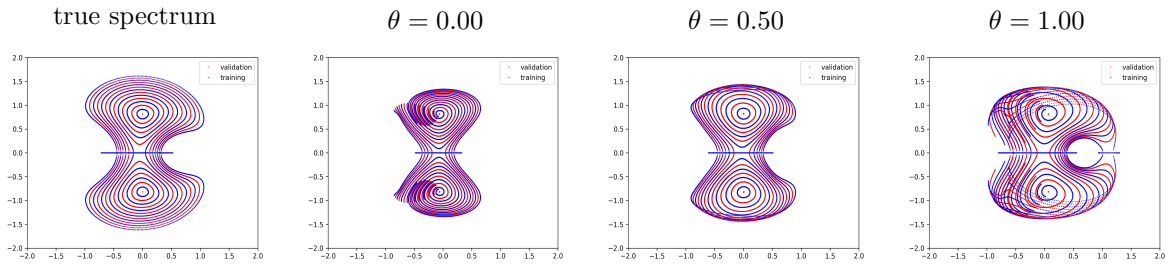

Figure 3: Eigenvalues of the vector field along continuous-time trajectories on the time interval  $t \in [0, 10]$ .
